Pages 1

Date 13.05.2019

Information 

On Monday, 20 May 2019, SIX Swiss Exchange will make adjustments to the following tradeable share:

Changes to the Price Step Group

Security Description	ISIN	Symbol	Price Step Code		Date of change
			Old	New	
STADLER RAIL N	CH0002178181	SRAIL	LF	LD	20.05.2019

Price Step Group Code changes will not automatically result in the deletion of open orders from the order books. Only open orders, which do not correspond to the instrument's new tick size regime, will be deleted before the Start of Business on the morning on which the new Price Step Group Codes come into force.

No execution report confirming the deletion will be sent via the Standard Trading Interface (STI). Moreover the deleted orders will not be included in the morning order snapshot.

Participants are responsible for re-entering any affected orders into the corresponding order books with valid tick sizes before the start of trading.
